EMPLOYMENT CERTIFICATE

Al Sharaf Engineering is a consulting firm engaged in architectural and structural design and supervision. We design villas, residential compounds, warehouses, office and commercial buildings from medium to high rise throughout the Kingdom of Bahrain.

I have appointed Mr. Alejo L. Acosta as **Structural Engineer** for the past two years from **June 27, 2001 to June 30 2003**. Apart from his main responsibility he was also tasked to supervise our ongoing projects, presides meeting, liaise project matters between client and contractor, evaluate bidders and prepare correspondences. As Managing Director of the company I found him to be sincere, diligent and responsible in his assigned duties and responsibilities.

He has conducted himself well with all the members of our staff and Contractor's Engineers and he has been a pleasure to work with. As he has completed his full term of working with us I would like to thank him for his good work and ethics he brought to our company. I wish him all the best.

Respectfully yours,
For Al Sharaf Engineering

CERTIFICATE OF EMPLOYMENT

We are a Portugal based architectural and consulting firm with operation in Europe, across Asia and the Middle East. Our field of specialization includes industries such as building seaport and airport facilities, reclamation projects, electromechanical plants, and design and supervision of government buildings.

We hired Mr. Alejo L. Acosta as **Structural Engineer** since **August 1, 2005 to May 31, 2006**. He was assigned as **Resident Engineer** in the supervision of the Five Storey Building - a Public Security Complex Project for the Ministry of Interior located in the Muharraq Governorate. Aside from his permanent job assignment he was also responsible in structural design for other projects. We found him to be hardworking and diligent to his assigned duties and responsibilities. He carried out his commitment to complete the structure he is looking after.

We understand that he will be leaving us at the mutually agreed job stage and date that he will be allowed to go. We found him to be reliable, hardworking and competent of his job. He works well with all the office staff and with the contractor's staff too. We have no hesitation of recommending him as Resident Engineer in the future.

Yours Respectfully,
For **Al-Zayani Profabril**
